## A Battle for Freedom on Foreign Soil

### Mattapoisett Man Remembers D-Day

*"This year is the 50th Anniversary of D-Day, the massive invasion of Europe and France. World War II was the second worst war fought by this nation with slightly over 400,000 lives being lost. It is the major war that many of us can remember during our lifetime. It is the war that probably had the greatest effect on our personal lives. It is the war, that those of us who personally did not go into the service, certainly saw friends and relatives leave to serve in the military. Mattapoisett sent 224 individuals of which 11 were women. It is the war that we prayed, on D-Day, for the safe return of those we loved and knew.*

*"It is hard to imagine the destruction and the loss of lives that took place on June 6, 1944. Five thousand ships brought men and materiel to the shores of France. Constant bombardment from the air and sea, the noise alone must have been something difficult to endure. The horrible sight of violent death must have made it difficult for a human mind to accept. Even fifty years after D-Day, watching the televised rebroadcast of events and listening to the personal recollection of people involved, it is hard to believe. We should be thankful for not having that happen here. We should be thankful to those who kept it from happening here."*

— Dr. Milton A. Silveira, Retired NASA Chief Engineer  
"Memorial Day Speech," May 30, 1994  
Mattapoisett, MA

Walter "Skip" Henshaw momentarily turned his attention from recollections of his tour of duty during World War II to a collection of mounted sea shells he had culled from the shores along Mattapoisett over the years. He smiled, noting the intricate beauty of a single quahog shell which had been mounted and varnished onto a black piece of slate.

"People don't usually pay any attention to how beautiful these are," he said. "They just throw them away."

It is this simple tenet which seems to guide every aspect of Skip Henshaw's life.

Having enlisted in the United States Army during World War II, he is one of the few area residents alive today who can not only recall the landmark events which unfolded on June 6, 1944, but also speak about them comfortably, appreciating their historic value.

"Nothing ever did bother me ... and neither did the invasion," he said. "I can talk about it, but I'd rather have something else on my mind, of course."

The 87-year-old Mattapoisett resident sat comfortably in his home on the afternoon of June 6, 1994, carefully recalling his memories of the event which had occurred exactly fifty years to the day.

"I was part of the first wave that attacked Normandy," he said. "I got off the boat and was taken to

the shore. There was a (wharf) right off the beach, so I got up against that to look things over. When I looked up, I saw two outhouses which were being used by the German soldiers. I shot three bullets through the top of each to see if anyone was inside. Two (German) officers came out, turned around, and went back in again.

"When I moved around to the other side ... I saw two American soldiers shooting into the outhouse. I figured they had killed the two officers."

Although the initial confrontation was successful, it wasn't won without many casualties for the American troops. Mr. Henshaw recalled a sense of detachment at seeing his comrades killed in battle.

"After moving further up onto the beach, I turned around to look behind me and saw the gunner on the boat that brought us in get hit," he said. "I saw him lying dead in the water ... he just slipped into the ocean and disappeared."

Enlisted as a Private First Class (PFC) with the U.S. Army Infantry Engineers, Skip Henshaw served his country for nearly two years ... but his participation in D-Day would forever remain his most vivid memory. Thanks to a minor wound inflicted from a mortar shell, he would be able to return home to share this experience.

"After we took the beach, we boarded trucks and headed inland. There were three trucks, and I was on top of the load — checking things out — when an 88 German shell landed beside the truck. A piece of that shell struck me right here in the knee," Mr. Henshaw said, pointing to his left knee. "There was a doctor there with us ... he picked all the (shrapnel) out of my leg. Then they took me back to the beach and I was taken on a boat to England where I was in the hospital for three months healing up.

"It could have been worse ... I could have been hit in the neck, in the face, in the stomach. I was just lucky where it did hit."

Amidst all the confusion and excitement during that first attack on Omaha Beach, Mr. Henshaw didn't fully realize the impact of the battle that would become the turning point in World War II ... and the eventual downfall of the Third Reich.

Although he returned to battle for a short time after healing from his knee injury, Mr. Henshaw would not be engaged in any further combat.

"Just after I got back to France, we heard that Hitler had shot himself and his wife," he said. "A buddy of mine said 'Well, then the war's all over.' 'Thank God,' I said, 'I'm glad of that.'"

Now splitting his time between the crafted shells he proudly displays in his home and a freshly planted garden in the yard, Skip Henshaw relishes the freedom he fought to retain.

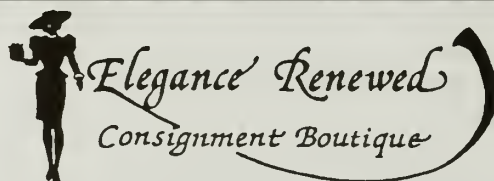

"I'm proud that I was involved," he said, smiling. "We all did what had to be done."

## Mattapoisett Annual Town Meeting

June 6, 1994

Old Rochester Regional High School

Town Moderator Richard W. Blasdale called the Annual Town Meeting in the Town of Mattapoisett to order on Monday, June 6 at 7:42 pm, having exceeded the quorum of 50 voters with nearly 200 present. With that, Mr. Blasdale began considering the first of the 32 articles

Voters unanimously approved ARTICLE 1, which set the salaries of Elected Town Officials for the 1995 Fiscal Year as follows: Town Moderator (\$173); Selectmen Chairman (\$3,163); Selectmen (\$2,749 for each of two members); Treasurer/Tax Collector (\$38,058); Assessors (\$3,243 for each of three members); Town Clerk (\$33,120); Board of Health (\$344 for each of three members); Highway Surveyor (\$40,682); Mattapoisett School Committee (\$344 for each of five members); Water/Sewer Commissioners (\$344 for each of three members); Tree Warden (\$3,973).

Mr. Blasdale noted that the salaries represented a 3-1/2 percent increase for full-time positions, and a 2-1/2

percent increase for part-time employees.

With the exception of some explanation of certain line items, Town Meeting voters also unanimously approved the General Operating Budget for Fiscal Year 1995 under ARTICLE 2, allocating \$443,639.38 in General Government Operating Expenses, \$1,070,420.76 in Public Safety; \$4,762,708.21 in Education; \$631,698 in Public Works/Facilities; \$119,587.85 in Human Services; and \$1,048,865.60 in Miscellaneous Items.

Voters questioned a reduction from \$5,000 to \$3,500 in money allocated for the Printing and Mailing of Annual Town Reports, but Selectman Mahoney explained that they had decided to reduce the number of copies printed each year and only mail copies out by request. "We used to print many Town Reports that were never picked up," he said. "Since we have had problems with printing costs and the storing of extra copies, we have cut down the number and will save on the mailing."

Several other line items were explained when Selectman Mahoney noted that the FinCom had decided to break out the salary for each department head this year so voters could know exactly where the money was going. "We'd thought we'd separate (the department heads' salaries) out to isolate them from the overall budget," he said.

The only real changes in separating these line items came under the Town Mechanic and Fire Department, where it was recommended that Fire Chief Ronald Scott's position be increased from part-time to full-time, increasing his salary from \$7,700 to \$35,000 a year.

"Once we came to know Ronald Scott's capabilities, we decided that it was time to take on a full-time Fire Chief," Selectman Mahoney said. "We have a lot of faith in Ron's abilities and we think we ought to officially make his job a full-time position."

The same recommendation was made and approved for the Town Mechanic's position, which was increased from 28 hours per week to 40 hours per week at a salary of \$34,598.

Voters also questioned why \$3,000 was being transferred under the Waterfront Enterprise Fund for the town's bathing beach. Selectman Lambalot noted that the money will be used to pay for two beach matrons to open, maintain and clean the bathroom facilities at the beach, which will be opened for the season from July 2 through Labor Day. Although town officials would like to provide further services like life guards and swimming lessons, at the present time there isn't any available funding for such programs.

Both ARTICLE 8 — which requested a \$600 appropriation for the Buzzards Bay Action Committee — and ARTICLE 9 — which requested a \$300 appropriation for the Marion/Mattapoisett/Rochester Housing Co-Op — were motioned and approved to be postponed indefinitely, as the town had not entered a formal agreement with either organization. "You'll note that in the case of the New Bedford Women's Center, we've adopted a contract with that agency for services to the town," Selectman Mahoney said. "We still have to arrange a similar agreement with these organizations."

In the evening's closest vote, ARTICLE 17, which empowers any town board or officer who issues a license, permit or certificate to fix reasonable fees for all such licenses, permits and certificates issued, was approved with a vote of 174 to 1.

Town Meeting voters had the longest debate of the night over ARTICLE 19, which requested that the town approve paying one-half of the premium costs for the surviving spouse of an employee or retired employee of

the town for group general, blanket hospital, surgical, medical, dental, and other health insurance.

Resident Charlie Morgan noted that the town currently pays 75 percent of insurance costs for all active town employees and 50 percent of the same for their dependents. However, if an employee passes on, the surviving spouse must pay 100 percent if they wish to continue under the same coverage. The article would propose that the costs to remain under the town's insurance be split 50/50.

But as there were many questions surrounding the amount of money this measure would cost the town and how many employees would benefit from such a plan, it was defeated after a second vote yielded 63 in favor and 96 opposed.

Both ARTICLES 20 and 21 were approved via majority vote of Town Meeting floor. ARTICLE 20, which appropriated \$53,995 via a Proposition 2-1/2 override and subject to a Special Election on June 14, 1994, was passed 150 in favor, 10 against; and ARTICLE 21, accepting the provisions of the Education Reform Act of 1993 to provide an Early Retirement Incentive Program for members of the Massachusetts Teachers' Retirement System employed by the Mattapoisett Public Schools, also passed with a vote of 140 to 5.

ARTICLE 22 passed by a safe margin of 135 to 5, authorizing the town to establish a Town Scholarship

Fund and Town Educational Fund under the provision of the Education Reform Act of 1993; likewise, ARTICLE 31, which granted an easement over the former railroad bed located adjacent to Park Street to Barry J. Denham in order to access property he owns, was approved with a vote of 80 to 1.

Although both approved, Town Meeting voters were not unanimously in favor of either ARTICLE 23 or ARTICLE 24 — the former of which allows licensees in town who sell alcoholic beverages on their premises to also sell these beverages between 11:00 am and 12:00 noon on Sunday (approved 80 to 35), and the latter of which allows all common victualler license holders who sell malt beverages and wines to also sell liqueurs and cordials

Selectman Paul E. Lambalot, and Secretary Melody A. Mills.

Following the signing of the payroll and bills, the board met with Franklin "Broc" Caswell. Mr. Caswell asked to meet with the board in order to extend his gratitude for their part in his retirement party. Chairman DeCosta told Mr. Caswell that "you've done far more on your job than other janitors did. What we did for you that night was small in comparison to what you've done for the town."

Mr. Caswell served as Head Custodian for the Mattapoisett school system for 35 years and was given a Certificate of Appreciation for outstanding service from the Selectmen during his retirement party.

The board next met with Peter Michael Martin and Carol Lareau regarding the town's new flag. Mr. Martin, a local artist, designed the flag, and Ms. Lareau, the proprietor of High Flyers Quality Stitched Custom Flags & Banners, assembled stitched the flag. The board extended their appreciation for their efforts in creating the flag that will be presented to the state for exhibition in the Hall of Flags on June 14. Selectman Mahoney noted that following a display of the flag at the Annual Town Meeting, he heard "nothing but good things."

The board then approved the minutes for the May 31 and June 2 meetings, followed by the signing of a letter to Janice Estes accepting her resignation as Registrar of Voters.

After approving the minutes of the May 31 and June 1 meetings of the Board of Selectmen, Chairman Schaefer began reviewing incoming correspondence for the week, starting with a letter of resignation from C. Clark Streeter, who is stepping down as Chairman of the Council on Aging, effective June 30. Mr. Streeter noted that although he will remain on the COA Board, it was agreed that Robert Marso would take over as the new COA Chairman. Chairman Schaefer asked that a letter of appreciation be sent to Mr. Streeter.

The Massachusetts Boating Association sent a copy of the letter of appreciation sent to Harbormaster George Jennings, thanking him for his participation in a presentation at their May 25 meeting and for his diligent efforts year-round in maintaining Sippican Harbor.

The Benjamin D. Cushing Post 2425 Veterans of Foreign Wars (VFW) sent notification to the board that they will, once again, be organizing the town's annual Fourth of July parade. The parade will form at 8:00 am on Monday, July 4 in the ball field behind the Marion Town House, adjacent to Sippican School. Trophies will also be awarded for First and Second Place in several categories. Three cash

## 1 Pinewood Way, Mattapoisett

This well-built Cape was constructed 10 years ago, and is set on 1.06 acres of lovely landscaped grounds. The first level offers a surprisingly open, spacious floor plan. The large fireplaced living room opens into a delightful den with access to the rear deck. There is a formal dining room that is good sized. The kitchen is complete in every way, and has sliders to a wonderful screened porch which was added last year. The breezeway contains the laundry area, and access to the oversized two car garage. There is also a half bath on this level.

The upstairs consists of three large bedrooms, and one full bath. The current owner has added skylights to this level which bring in surprising amounts of light.

In addition, there are hardwood floors throughout. The heating system is forced hot water by oil, and there are two zones of heating.

The property is in impeccable condition, and has been beautifully maintained by the current owner.

PRICE REDUCED to \$210,000.

At 7:10 pm, the board met with George T. J. Walker, Vice Chairman of the Planning Board, and fellow board member Albert W. Caron, to discuss the development of a Community Action Statement Committee. Mr. Walker noted that in order for the Town of Marion to become eligible for many grants which are being offered for community-wide development through agencies like SRPEDD, they need to put an Action Statement Plan in place first — and the town must meet a fast-approaching July 1 deadline in order to be eligible for grants in the upcoming fiscal year.

"We're looking at putting together a master plan that will, hopefully, set some long-term goals

for Marion's future," Mr. Walker said. "I'm here to ask the board to establish a Community Action Statement Committee to put together this plan before July 1, which is not altogether impossible."

Mr. Walker recommended the committee be comprised of six people, including himself, Mr. Caron as the town's SRPEDD delegate, Ray Pickles, a member of the Board of Selectmen (Jodi Dickerson), a member of the Board of Health (Albin Johnson), and a member of the local community (Lee Craver). The board unanimously approved the establishment of said committee with the members

At 7:30 pm, a Public Hearing was called to order to consider the establishment of a new tier of fees for services offered to home owners by the Regional Conservation Agent. Dennis Luttrell, Chairman of the Conservation Commission, noted that the new fee structure had been recommended as a way to help fund the Regional Conservation Agent position for the remaining six months of the upcoming fiscal year. Having been overturned at the polls, Mr. Luttrell stressed that the town entered a contract with Rochester and New Bedford to maintain this position for at least two years.

"We received a \$25,000 grant to fund the position ... and it was specified in the contract that we would be willing to continue funding the position for at least one more year," he said. "The new tier of fees will help fund the position for another six months, as we have enough money remaining from the initial grant to fund the first six months."

But resident Joseph Zora Jr. said this "agent for hire" position could be a potential conflict of interest and a possible source of liability for the town. "I think you've got a problem in hiring this person as an 'agent' of the Conservation

Commission," he said. "Who is he/she working for? The Conservation Commission, or the home owner?"

Joseph Zora Sr. also echoed his son's sentiments. "I agree that the Conservation Commission needs an agent ... I've got no qualms about that. But I think they need to justify her qualifications before we vote to fund that position," he said. "You can't serve two masters ... and I think hiring her would create a conflict of interest between the private landowner and the town."

With these questions in mind, Selectman Dickerson motioned to table the matter until such time as the board could obtain a ruling from the State Ethics Commission regarding the labelling of said position as a "Regional Conservation Agent" and to determine whether or not there would be a conflict of interest in hiring her for personal services while she is employed by the town's Conservation Commission.

The motion was seconded by Selectman Winters and carried by the entire board. The hearing was thereby continued until a response is received.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:34 pm.

## Rochester Selectmen's Meeting

June 6, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Tuesday, June 6 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael C. Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the May 31 meeting, the board continued the Mendell Road Pole Hearing. Sought jointly by Com/Electric and New England Telephone, their representatives provided the board with an alternate plan for installation as per Chairman Hughes' request last week.

Chairman Hughes had objected to the clearing and cutting of maple trees for the purposes of stringing utility wires as the two companies had originally proposed. The companies' representatives submitted an amended proposal to the board, which allowed for the preservation of the maple trees by placing the wires on the opposite side of Mendell Road. The new plan, however, will require the "judicious" trimming of the more abundant pine trees.

Selectman Hawkes asked if the Tree Warden would be present during the trimming process. The representatives affirmed that they "don't want to do anything without him." Selectman Hawkes also asked about the distribution of the cost for the installation of the two poles. Costs incurred will be the sole responsibility of

the home owner. The board then approved the installation of said poles on Mendell Road.

Under incoming correspondence for the week, Chairman Hughes noted a request from the Planning Board to seek Legal Counsel regarding Bradford Estates. The Planning Board, currently holding a \$200,000 bond for completion of work expiring June 6, 1994, has been recently informed that the property will be foreclosed on. The board approved the request to seek advice of Town Counsel.

Heather Dupuis of Featherbed Lane wrote to the Highway Department, a copy of which was submitted to the board. Ms. Dupuis requested the "permanent repair" of Featherbed Lane, as the road is currently graded only when needed and/or requested by the residents. Ms. Dupuis noted that newspaper and mail delivery was halted on the road two years ago.

The board also received a letter from Jeff Eldridge, Highway Surveyor, in response to Ms. Dupuis' request. Mr. Eldridge advised Ms. Dupuis to submit an article for the next Town Meeting warrant to fund the costs of paving Featherbed Lane, a project which G.A.F. Engineering, Inc. has estimated at \$200,000.

The Board of Appeals sent notification of their decision granting a request made by Kevin Cassidy of 529 Snipatuit Road. The board also received notification from Plymouth County that Rochester's Certified Retirement

The board then approved a payment of \$1,280 for the care of Veterans' graves from Bonnie Hartley. Some 128 veterans' graves have been maintained throughout the past fiscal year. Ms. Hartley now has a balance of \$120 remaining in this account.

A draft affiliation agreement between the Town of Rochester and the New Bedford Women's Center was received for the board's approval. The agreement stipulates that the town's annual \$2,000 donation will be given in return for free services which the organization provides to town residents. Such services will include a 24-hour hotline for domestic violence and sexual assault cases, confidential shelter for battered women and children, counseling, support groups, legal advocacy, medical advocacy, and educational programs.

In 1993, the New Bedford Women's Center provided such services to 18 Rochester residents with direct care and 315 adults and children were provided with educational programs on issues of domestic violence and assault.

The board referred the agreement to Town Counsel to assure that it will be legally binding. Chairman Hughes also requested Town Counsel to inquire if a similar document is needed regarding the town's relationship with the Marion/Mattapoisett/Rochester Housing Co-Op.

The board next approved a request from Town Clerk Naida Parker to purchase electronic voting equipment which will be used in all future town elections. The equipment previously approved for purchase at the last Town Meeting will cost \$6,500.

The board signed and approved: a transfer request from the Conservation Commission in the amount of \$150

for secretarial support; a license for St. Rose of Lima Church for their Chicken BBQ to be held on Sunday, June 26 from 11:30 am to 4:30 pm (for which the fee was waived); and a transfer request for the Town Hall in the amount of \$1,700 for June's utility bills.

The board next agreed to issue a permit to the Lions Club for the Annual Carnival. Selectman Murphy also moved that the fee be waived.

Under Old Business, Chairman Hughes requested an amendment to the rate of pay for police detail which the board discussed at last week's meeting. Mr. Hughes requested that, as out-of-town police officers, town officers should be paid at a rate of \$10.50 per hour for all town details (other than patrol duties). Town officers were

previously paid \$8.48 an hour. The board unanimously agreed to make the amendment, effective June 7, 1994.

Under New Business, the board — upon the request of Selectman Hawkes — voted to reappoint Kopelman and Paige, P.C. as Town Counsel for the next fiscal year. The board also discussed looking into a speaker system for the back section of the Selectmen's Office due to acoustical problems during Selectmen's meetings.

There being no further business to come before the board, they adjourned for the evening at 7:40 pm.

### Letter to the Editor

To the Editor:

Thank you ... to all of those who attended my surprise retirement party on Friday evening, June 3, 1994 at Thad's Steak House. A heartfelt thank you cannot express my true feelings.

To Principal Bill Reed, teachers, and non-teaching personnel of Old Hammondtown School and Center School, the Board of Selectmen, the Town of Mattapoisett, Representative William Straus, and the many friends and relatives who attended: you have all made my 35 years of working for the School Department come to a joyous conclusion.

Sincerely,  
Bronc Caswell

REALTOR

### LET THERE BE LIGHT

Your telephone rings. It is your REALTOR saying that he is coming right over with a prospect. You hang up the phone. What's the next thing you do? Turn on every light in the house. Why?

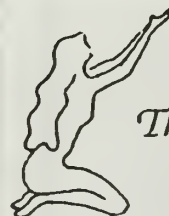

Because you want to give the prospect the best image you can of the comfort, beauty and livability you are offering. In other words, you want to sell a home, not a house. And a full illumination is the best way to give your home that "lived-in" look. Furniture and rugs and fixtures take on a warm glow from the proper lighting. Here are a few "bright" ideas:

Turn on every lamp in the living room, bedrooms and family room. Be careful about turning on

the overhead lights in these rooms for it could be harsh and make the room look uninviting. Turn on every light in a storage room or closet. Go all out in illuminating the kitchen - the cheerier the better. Brighten up the bathroom too - but carefully choose the right wattage for bulbs by the mirror, pick the most flattering one. Remember, it's just as important to have lights on in the afternoon as it is for a night-time showing.

Call Bob at Fisher & Rocha, Inc., 758-6738 or stop in at our office at 17 Fairhaven Road, Mattapoisett.

## Nor'Easter Soccer Club Tryouts

The Nor'Easter Soccer Club will be holding tryouts for the 1994-1995 season on June 15 and 18. Southeastern Massachusetts' first premier soccer club, the Nor'Easter Soccer Club, will begin its third season this fall. Since its inception in 1992, NESC has participated in the National Challenge Cups League and the Massachusetts Premier League. The club's current U - 12 Boys team is among the top eight in the state.

Nor'Easter offers the highest possible technical and tactical training under the guidance of Director of Coaching Raymond M. Cabral. Mr. Cabral has a USSF "B" License, is the former head coach of the Old Colony Regional Voke Varsity Boys team (which had five state tournament appearances) and is the head coach of the UMass Dartmouth Women's Soccer team (where he earned the 1990, 1991, 1992 and 1993 Little East Conference Coach of the Year Award and saw his team become the 1993 Little East Conference Co-Champions).

Nor'Easter has also recently added John Sullivan to its coaching staff. Mr. Sullivan was a founding member of the Fairhaven Soccer League in 1977, the former head coach of Bishop Stang Varsity Boys, former president of the Whaling City Soccer Association, and holds a USSF "B" license. Mr. Sullivan will be training U - 13 Boys team for the 1994-1995 season. He will join existing Coaching

### Public to Sing With Choral Groups

Just for the joy of singing, the Sippican Choral Society and the New Bedford Choral Society invite all who would love a chance to try out their vocal chords on great music to sing along with them on four Monday evenings during the summer. The occasions are part of the choruses' Summer Sing program.

The first Summer Sing will be held on Monday, June 13 at 7:30 pm in the Congregational Church Hall in Marion. Peter West, the Director of the Sippican Choral Society, will direct Mozart's "Coronation Mass," and scores will be provided for those who do not have their own.

Mr. West will rehearse everyone present for about 45 minutes in selected choral pieces from the Mass. After a break with cool summer refreshments, the "pickup" chorus will sing straight through the Mass. Admission is \$4 per person, and the impromptu concert will be over by 9:45 pm.

The other Summer Sing concerts include:

- Monday, June 27 at 7:30 pm — Mozart's "Requiem" at the Unitarian Church on Eighth Street in New Bedford; directed by Gerry Dyck of the New Bedford Choral Society.

- Monday, July 11 at 7:30 pm — Schubert's "Mass in G" and Faure's "Requiem" at the Congregational Church Hall in Marion; directed by Bette Roberts, Director of the Mattapoisett Congregational Church Choir.

before leaving the dock. Your float plan should include: a) where you intend to cruise; b) a description of your boat and your state registration number; c) communication equipment aboard and radio call if you have one; d) the names of those on board; e) safety equipment carried; f) the estimated time of your arrival at your destination or your return to port; and g) your alternate plans in the event of an emergency or in case of bad weather.

If you are overdue, with a float plan your relative or friend will be able to tell the Coast Guard or other rescue agency where you planned to go, what your boat looks like, and how your boat is equipped. While this does not guarantee that you will be found immediately, it does

take much of the guess work out of establishing a search strategy and makes it more likely that you will be found quickly.

Be sure to let the person who holds your float plan know when you return to your home port or when you reach your destination to prevent any false alarms about your safety.

The Marion Flotilla of the U.S. Coast Guard Auxiliary reminds you to boat smart and file a float plan.

### **Mattapoisett Students Wins Award**

David S. Hagen was a former Guidance Counselor and Principal at ORR High School. Each year, the David S. Hagen Award is made to an ORR student who demonstrates those qualities of character, intellect, and, most especially, personal promise which was so admired by this wonderful man in whose name the award is given.

A 1994 Mattapoisett graduate of ORR High School has been named this year's recipient of the David S. Hagen Award: Lisa Linn Denham.

Lisa has been an active and involved student at ORR. Her interests include four years of Float Committee membership, and, most significantly, four years of committed service to the ORR Drama Club where she has shined in various productions, usually in the lead role as in "Arsenic and Old Lace" and, most recently, "Oliver!" Lisa is a starring soloist in her school chorus as well. Her stunningly clear and melodious voice has pleased many audience during the years of her involvement in chorus and drama. This year, she also served as President of the school chorus.

Lisa is the daughter of Mr. and Ms. Barry J. Denham of 5 Park Place in Mattapoisett. In the fall, she

The Tri-Town Directory, a Marion/Mattapoisett/Rochester League of Women Voters community service, results from the support of its loyal advertisers and the many volunteers who work on the project. Many of the local league's activities are made possible by this community backing, including Voter Service at the high school, Marion Candidates/Warrant nights, candidate questions and answers, informational meetings, and materials on subjects such as Health Care and School Choice. This year the group will also share in the LWV Massachusetts study on Domestic Violence.

Extra copies of the Phone Book are available at The Bookstall. A donation for these copies to help cover printing costs would be appreciated. Also, be sure to

## ORR Track Family Fun Day

The ORR Track Boosters Club and Continental Cablevision are sponsoring a Family Fun Day at ORR High School on Saturday, June 25. Events will be planned for the entire family and all proceeds will go to the ORR Track Fund to help provide the community with a new track facility.

From 12:00 noon until 4:00 pm, there will be activities at the high school for all ages. Pony rides, face painting, food, kiddie games, parent-child track and field events, Chinese Auction, volleyball tournament, soccer shoot-offs, Trivia Show, balloons, and entertainment are just some of the events planned. A donation of \$5 per car upon entry will put you in the running for valuable door prizes to be awarded throughout the day.

The day will be capped off with an adult "Wharf Dance" on the Mattapoisett Town Wharf from 7:30 to 11:00 pm. Music for our generation will be provided for your dancing enjoyment. Entry donations of \$5 per person will make you eligible for door prizes to be awarded during the evening. Coverage of the day's activities will be provided by Continental Cablevision and will be shown on the air throughout the day and in the future.

Come have fun with family and friends and help to provide the community with a valuable resource: a new track facility. Rain date for the day-long event will be Sunday, June 26.

"Memories, 1994" is a twenty-four page yearbook published by the Jostens Publishing Company, which also publishes a number of local high school and college yearbooks. It contains a picture of every Center School student enrolled prior to May 21, as well as pictures of all the staff and pictures of several activities and programs over the past year. The cost of the yearbook is \$7 (which is the actual cost to publish them). As a result, to avoid any loss which has occurred in past years, only 175 have been printed and will be sold on a first-come, first-served basis. Please call Center School at 758-2521 for more information.

### Flag Day Program

Center School's Annual Flag Day Program will be held on Tuesday, June 14 at 8:50 am at the flag pole on Church Street, in front of the 1898 building entrance to the school. Each grade (K - 3) will be singing a patriotic song under the direction of Ms. Jean West. The Grade 3 Recorder Group will also play a song. Jack DeCosta, Chairman of the local Board of Selectmen, will then lead all the students in the Pledge of Allegiance.

All students are asked to wear red, white and blue on this day as an expression of patriotism. Parents are cordially invited to attend and join in honoring the "Stars and Stripes," the symbol of our nation's pride and heritage.

## Mattapoisett Historical Museum

*The Museum Needs Your Help*

Soon it will be time for the Mattapoisett Museum and Carriage House to open for the months of July and August. To make visits pleasant and memorable for visitors, we need the help of volunteers each day the museum is open to act as hosts and guides. We call these people "docents."

The job of the docent is to welcome visitors, tell them a bit about the museum and Mattapoisett history, and try to answer their questions. To do this, we offer training to all docents prior to the opening of the museum on July 5. The training is designed to familiarize the volunteers with the museum and give them some basic information about the town's history and what's in the museum. It is only a one-session training and will take place on Thursday evening, June 23 at 7:30 pm in the Museum and Carriage House, 5 Church Street, in Mattapoisett.

If you are willing to give the museum two and a half hours of your time one afternoon this summer, please call Bette Roberts at the museum (758-2844). The opportunity to be a docent is not restricted to Historical Society members. Anyone who is interested in learning about our town's history is welcome to volunteer. It's a great chance to really get to know the museum and to work with some other fine volunteers and Bette Roberts, our curator, is always on hand to assist.

The Museum is open Tuesday through Saturday, 1:00 to 4:30 pm, from July 5 through August 27.

*Are Any Of These In Your Closet?*

For their July exhibit, the Mattapoisett Historical Museum and Carriage House will be looking for the following items. If you have any and would be willing to loan them to the museum for the month of July, please call

## Marion Recreation Committee

### Summer Programs

Information and registration forms for swimming lessons, youth tennis lessons, youth street hockey, adult tennis lessons, adult sailing lessons, youth baseball camp, exercise on the beach, and youth sailing lessons are available at the town library or Marion Town House. All registration forms are to be sent to P.O. Box 539, Marion, MA 02738. No phone registrations will be accepted.

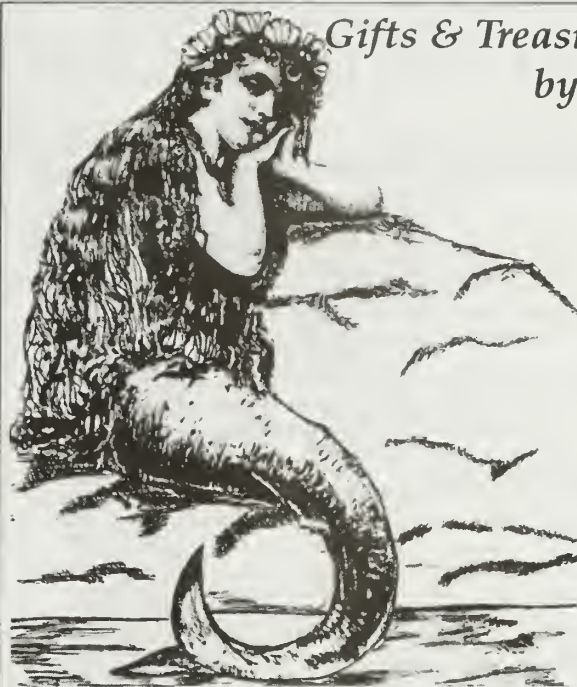

### Ladies Doubles Tennis League

The Marion Recreation Committee is sponsoring a Ladies Doubles Tennis League (just for the fun of it). Eight to twelve pairs will challenge each other over the summer. Winners will receive a new can of tennis balls from the losing team after each match. There is no other cost involved. Anyone interested in joining should call the director, Michelle Sampson, at 748-2710. If you do not have a partner, she will try to pair you with someone.

### Tennis Courts

The tennis courts behind the Town House and behind Sippican School and at Point Road playground are available for use by town residents. The Town House courts are closed to the public during the tennis clinic which will be held on Tuesday and Thursday mornings, and Monday and Wednesday evenings from June 20 through August 2.

courts are closed from 2:30 to 5:00 pm while school is in session so that they may be used by the ORR Boys Tennis Team. Also, the Town House courts are closed Thursday evenings starting July 8 for six weeks for street hockey. Please note that the courts at the Point Road playground are often available. Please take care of these facilities.

### Silvershell Beach

The beach will be open for the season on Saturday, June 18. The beach director is Dick Duffy. If anyone can donate a picnic table, awning, playground equipment, a small stove or grill, or the like, please contact the Marion Recreation Committee at 748-3507. Please also get a beach sticker for your car as the guard will be checking when you drive in.

### Mattapoisett Town Clerk

E-911

The E-911 Telephone Emergency System has the capability of identifying locations as having special needs for disabled persons (i.e. blind, deaf, or hard of hearing, on life support system, mobility impaired, speech impaired). Should you call for emergency services, the personnel responding would be aware of this special need at your address. To take advantage of this feature, you may complete the very simple request form available in the Town Clerk's office.

Dogs

Mattapoisett's so-called "popper scooper" by-law has been approved by the Attorney General's office and is now in effect. Please be reminded that all dogs must also be leashed when off the owner's premises.

Town Clerk Lois K. Ennis reminds all dog owners that the \$10 per dog late fee is now in effect. This fee will be charged in addition to the normal license fees. Requests for licenses may be mailed to: P.O. Box 89, deposited in the Town Hall drop off box, or purchased in person. Should you have any questions, please call the office at 758-4103. Court action will follow shortly for those licenses not paid.

Dinghy Slips

Dinghy spaces on the sand area of Town Wharf are available. Apply at the Town Clerk's office. The fee is \$20.

# Enjoy Healthy Eyes... Naturally.

## DRY, RED EYES

Eye Drops #1 clears and soothes dry, red eyes.

"I am prone to dry, red eyes and find your #1 Drop as good as or better than any vasoconstrictor or artificial tear I have tried in the past. But since the ingredients in Similasan are all natural, I prefer them for prolonged use."

Eric Stensland, O.D., Seattle, WA

## ALLERGY EYES

Eye Drops #2 stops itching and burning from allergies.

"Eye Drops #2 were distributed to faculty and students with ocular allergies. It was concluded that the drops work two to three hours per application. Many participants stated that the drops work better than any other product on the market. All were impressed with the built-in dropper and glass container."

Bob Yoltan, O.D., Pacific University  
College of Optometry, Forest Grove, OR

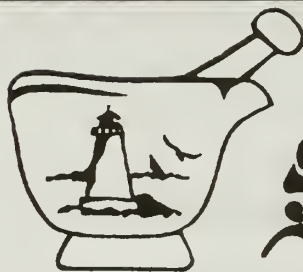

Buy Similasan Eye Drops at your favorite health food store.

## Natural Nasal Spray

- Clears the most stuffed noses
- Relieves hayfever symptoms
- Non-Addictive
- No side effects

Similasan Nasal Spray is an effective, natural product containing three active ingredients in a saline solution. The spray is immediately soothing and relieves sinus conditions due to colds and hayfever. Similasan Nasal Spray contains no antihistamines and no vasoconstrictors. Similasan Nasal Spray can be used several times daily for extended periods, by children or adults.
